IVth GCP21 International Cassava Conference

JOIN US IN

Cotonou, Benin, June 11-15, 2018

Pre-registration opens on 1st September, 2017

The Full Registration will be open on 1st January, 2018. Please check out <http://www.gcp21.org/beninconference/index.html> for all other information.

Conference Theme

Cassava Transformation in Africa. This theme has been chosen because of the launch of the African Development Bank program entitled: **Technologies for African Agricultural Transformation – TAAT.**

Conference Highlights

- 500+ Attendees expected!
- Golden Cassava Award for two prestigious cassava scientist or developers
- Satellite Meetings
- Travel Grant Program for young participants to attend this event

Conference Details

Target Audience: Scientists, professors, technicians, developers, journalists,

administrators, donors, bankers, private companies representatives and more.

What is the Conference about: The Conference is a scientific and technical conference covering all aspects and fields from the cassava genomics to the cassava food and feed products, through production, transformation and use. The concept is to put in close correlation research and development, to improve the rate of adoption of new cassava varieties and technologies and favor technical and human developments of all types that could benefit cassava and small farmers all over the world.
